

AA in Personal Fitness Training/Small Business Management Specialization

Students who plan to major in Teacher Education, Sports Medicine/Athletic Training, or Sports Coaching should pursue an Associate of Arts Degree. A possible four-semester plan of these majors is displayed. Each student will work closely with an advisor to individualize a schedule based upon the needs of the student and the four-year institution that he/she plans to attend. Students will complete 64 credit hours with a minimum 2.0 GPA on a 4.0 scale.
