ATHLETIC/ACTIVITY SCHOLARSHIP AGREEMENT

You have been awarded an athletic or activity scholarship from Allen County Community College for the 2008-2009 academic year. The following criteria apply to your scholarship. Please read the information carefully, print and sign your name indicating your understanding of the criteria, and return one copy of this scholarship agreement to the college financial aid office. The funds will not be disbursed to your account until this agreement has been returned.

1. You must be enrolled in at least 12 credit hours, which start at the beginning of the semester. The scholarship will pay for a maximum of 20 credit hours tuition and book rent per semester.
2. You must accumulate a minimum of 12 credit hours with a 2.0 grade point average each semester to remain eligible for this scholarship.
3. You must reside in the residence hall unless you commute from home.
4. You may be awarded more than one scholarship, but the total of all institutionally awarded scholarships are limited to the amount of tuition and book rent except in the case of a student whose high school grade point average is 3.50 or above. In this case, you are eligible for both the athletic/activity scholarship and the academic scholarship, but not more than your direct educational costs. To continue eligibility for both, a cumulative college grade point average of 2.50 or above must be maintained.
5. You will be responsible to pay your incidental fees, residence hall fees and purchase books.
6. This scholarship applies only for the fall and spring semesters. It is NOT applicable for summer sessions.
7. Should you voluntarily cease participating in the sport or activity you received a scholarship for, you will be ineligible for the award in the succeeding semesters.
