Art is the product not only of its creator, but of the cultural, political, economic, and social forces that shaped that artist.

Art at Allen
The creative Fine Arts department contains a collection of disciplines that produce artwork compelled by a personal drive.

Working towards an Associate of Arts degree students will learn the basic fundamentals of Painting, Drawing, Art Appreciation, and Design.

Everyone can learn a new art form, start with Allen!

Fine Art Courses:
Art Appreciation
Design I-II
Drawing I-IV
Life Drawing
Painting I-IV
Photography

Scholarships Available!
