Online Student Resource Center
The Resource Center contains helpful information for online students.

When Classes Begin

On the official start date of the courses, you will be able to access your courses through Blackboard. Please note that you will not be able to access your courses before their official start dates.

myAllen

- Go to http://my.allencc.edu/ics

myAllen is your source for Allen services and information. You can use myAllen for email, financial aid, payments, unofficial transcripts, calendars, and much more.

Home
The Home tab provides links to Allen’s website, Blackboard, and your Allen email. It is important to check your Allen email account on a regular basis, as it is the email address that instructors and the college use to communicate with students.

Academics
The Academics tab allows you to view and print your course schedule, course history, unofficial transcripts, and grade reports. You will also be able to view your ESPs (Early Student Progress reports) as well as calculate a projected GPA.

Finances
The Finances tab allows you to view and print your financial aid award, 1098-T information, and your course and fee statement. You can track your financial aid progress and determine what documents are still needed to complete your financial aid. You can pay your bill or sign up for the FACTs payment plan.

Textbooks

Allen operates a textbook rental program for students. The textbook rental cost is $12 per credit hour. Specialized classes may require the purchase of a book or workbook.

Textbooks may be mailed to you or picked up from either campus. To arrange for textbooks to be mailed or for additional questions please contact:
